PROGRAMMING GUIDELINES
POLICY
2014

Date issued: March 2014
Date to be reviewed: 2015

Programs are discussed with the Principal / Assistant Principal each term between weeks 5 – 8. This enables teachers to explain the process and discuss issues pertinent to their classroom.

Teachers will follow the CSO Diocesan Programming guidelines in regard to what is needed in their program.

Timetables must adhere to the correct time slots for each subject.

Teachers will use the BOSTES Program Builder when programming only for English and Science in 2014.

Maths programs should use the CSO Mathematics template when programming for Maths until 2015 when the New Maths Syllabus is introduced.

Adjustments and Differentiation is expected to be in all Programs.

Programs are the property of St Joseph’s Primary School.
