Date issued: March 2014
Date to be reviewed: 2015

It is the policy of St. Joseph’s Primary School that any child representing the school at state PSSA level sport or any other school sanctioned representative activity (deemed by the school to be of a similar representative level) at a venue outside the Diocese of Lismore will receive the sum of $150.00 to assist with travel costs.

This subsidy will be made available upon application by the parents/guardians of the student.

If a child reaches National level in their designated sport/activity the school will make every endeavour to assist in fund raising activities but due to the variance in distance which can occur at this level no financial assistance will be available.
