STUDENT LEADERSHIP
POLICY
2014

Date issued: March 2014
Date to be reviewed: 2015

AIM:
To develop and foster leadership skills in all senior students at St Joseph’s Primary School.
PROCESS

- **Leadership Groups**

All students elect to be part of a Leadership Group and work (with a teacher mentor) to ensure that the responsibilities of the group are met. Responsibilities are decided by the group and the students in the group monitor the effectiveness of their decisions and actions. Leadership groups are viewed by the students to be a privilege and they take their responsibilities very seriously. We hope, that by working together in their roles of service, the students will look beyond themselves and see the value of their work, acknowledge their own developing leadership skills as they grow into young adults in their school community.

- **Buddies** (Year 6 students participate in a ‘Buddy Program’ with Kindergarten students.)

- **Year 6 select groups that they wish to be a part of each year e.g. Liturgy, Media, Gardening, Library, Birthday groups etc.**

- **Mini Vinnies**

- **Year 5 Leadership Day**

Year 5 students participate in this day towards the end of the year to prepare them for leadership roles in Year 6. During this day the students participate in a number of leadership and team building activities.
